

Yuh Wall

The fixture primarily provides glare-free downward directed light. The angle of the shade can be adjusted to optimize light distribution. A slim opening in the top of the shade provides soft, ambient upward illumination. A mechanical system provides great freedom of movement, so the light can always be set in the ideal position in the workspace, living room etc. Build-in LED technology provides a high quality of light with stepless dimming at 15 to 100%. Timer function to automatically turn off the light after amount of time, selectable between off/4 hours/8 hours. Function to set a fixed light level each time the lamp is connected to main power. The switch and dimmer button is placed on the wall box.

GamFratesi

GamFratesi's design take their creative drive from a fusion of tradition and innovation in an experimental approach to their chosen materials and techniques. Each with their own traditional background, Stine Gam and Enrico Fratesi draw on classic Danish furniture and craftsmanship as well as a classic Italian intellectual and conceptual approach.

Set location - The Silo

Product info

Finish

White or black. Matt wet painted. Brass versions: White or black shade. Matt wet painted. Clear lacquered, brushed brass stem and wall box.

Materials

Shade: Die cast aluminium. Stem: Extruded brass (wet painted or clear lacquered). Wall box: Die cast aluminium (wet painted) or extruded brass (clear lacquered).
