

SOFT EDGE P10 BAR STOOL

DESIGN BY ISKOS-BERLIN

Iskos-Berlin's Soft Edge series features an organically shaped seat and back, blending strong curves with extreme lightness to create a minimalistic design that optimises human-centric comfort for constant shifting and movement. Featuring a plastic (PP) seat and back in a wide range of colours, the Soft Edge P10 bar stool has long steel legs that enhance the minimalistic aesthetics and create a feeling of lightness, while the low, supportive backrest enhances the bar stool's stability and comfort. Its strength and functionality ensure years of everyday use in diverse public and private environments – from the home to corporate spaces, cafés, and institutions. Available in two different heights and with upholstered seat options.

PRODUCT DETAILS

- / Part of a family of dining chairs, bar stools, lounge chairs and stools with steel base or solid oak legs or polypropylene seat and back with steel base.
- / Offers an ergonomic seating solution due to its increased level of back support.
