

WINGBACK MICRO SOFA

The Wingback Micro is a take on our much loved Wingback range, which has been re-imagined to work within the home or smaller confined spaces. Inspired by two seating archetypes: the 17th century wingback and its smaller sibling the 18th century balloon back, we nod to the past to inspire creativity for modern living.

WINGBACK MICRO SOFA

Process

Shell created in hard and soft foam with a steel frame. Pocket springs are used in the seating cushions. Fully upholstered with a brass logo hammered to the base of every piece. Copper legs are made from copper plated steel. Chrome legs are made from chrome plated steel. Brass legs are made from steel with a tinted brass coloured lacquer. Wood legs are made from Oak wood with clear or black lacquer.

Cleaning Instructions

Please see the fabric manufacturer's website for cleaning and care instructions, or contact a customer service representative.

Country of origin

Poland
